Priority will be given to applicants who are members of the club. If you are not a member the confirmation of a place on the course may not be given until mid/late April. For members, the course places will be allocated on a first come first served basis.

The cost of the morning/afternoon junior courses in the summer holidays will be **£130.00** per member. If the child/student is not a member then a years membership fee of **£28.00** per place will be payable. For the costs of the other courses please see the relevant section of the brochure.

**Please do not pay any money with this form.**

You will be sent a booking form and invoice in early February. This must be completed and returned with your cheque by 1st April. Thereafter places will be offered to children/students on the waiting list.

Whilst every effort will be made to place you on the course of your choice, should that course you are applying for be full we will endeavour to contact you to offer an alternative date/ course or to place you on a waiting list.

We are being very specific about a child's age/ability and existing qualifications on the summer junior courses, as last year the younger members incurred a great deal of difficulty dealing with the tides. Please ensure that your child is placed on the correct course, as we will reserve the right to refuse to allow a child to participate on a course if they are not, in the instructor's opinion, suited to it.

Please detail below any medical condition, which could affect the student on the course in any way:
